# New cabinet door and door gasket for 6.x & 10.x

From October 2012 the cabinet door incl. door lock and gasket has been changed stepwise.

**Furthermore, the door gasket has been changed. The new one has the same dimensions, but because of the style the gasket is not downward compatible.**
Also door lock and collecting tray do not fit into old door types!

| Unit type | Previous door seal no. | New door seal no. |
|---|---|---|
| 6.x | #211094 | #10012489 |
